

Oral Presentation Guidelines

Allocated Presentation Time

Oral presentation: **8 mins + 2 mins for Q&A** (10 mins in total)

In-person presenters

■ Preparation

The onsite presentation system is compatible with the **Microsoft Office system**. If you are using MAC Keynote, it is recommended that all presentations be converted into PowerPoint format. For optimal viewing, please prepare slide text in English with an aspect ratio of **16:9** and use at least 24-point font for body text and 36-point font for headings.

All oral session meeting rooms are equipped with the following audiovisual equipment:

- A lectern computer workstation (Windows-based)
- Lectern microphone
- A presentation clicker

■ Speaker Ready Room

All speakers must upload their presentation to the conference computer in Speaker Ready Room **2 hours** before starting of the designated session. Please do not bring any laptop or other media device directly to the session room.

When checking in, please bring a copy of your presentation on a USB storage device to transfer to a conference computer. When reviewing your presentation in the Speaker Ready Room, make sure all fonts, images, and animations appear as expected and that all audio or video clips are working properly.

Online presenters

■ Preparation

All oral sessions will be **PRE-RECORDED PRESENTATION+ Live Q&A**

- Create a presentation video of you presenting your slides. This must not be longer than your allocated presentation time.
- Presentation slides recommend in **16:9 ratio**
- **Video format: MP4 (Maximum 1GB)**
- Please follow the instruction from next page and upload your e-poster to the virtual platform before **Monday, 14 November**.

You will be invited to attend a technical briefing for live Q&A session, please kindly select your available time from the link here: <https://doodle.com/meeting/participate/id/enxRBM5b>. This briefing will familiarize you with the Conference online platform and how to use it for attending the Conference and for testing your presentation materials. Please ensure you attend one briefing to make sure the session runs smoothly.

Speaker Ready Room

- Please join the meeting at least **20 minutes before your session**. Also, make sure that you enter the Zoom meeting with your full name, which enables the technical team to allocate you to the right session.
- To avoid audio echo or feedback during your session, please avoid watching the LIVE session on the online platform while you are on the Zoom meeting.
